Phạm vi ứng dụng: Turbimax CUE26 portable turbidity meter offers grab sample measurement compliant to US EPA 180.1. It allows verification of your online turbidity measurements and control of your processes directly on-site. Operation is simple: fill the cuvette, insert it into the measuring chamber and get an instant reading. In addition, Turbimax CUE26 provides guided calibration according to predefined standards, helping to streamline maintenance.

Tín năng và thông số kỹ thuật

Turbidity

Measuring principle
