

## Commubox FXA195 USB/HART modem

### World's only intrinsically safe HART/USB interface for Device & FieldCare and FieldXpert software

More information and current pricing:

[www.casc.endress.com/FXA195](http://www.casc.endress.com/FXA195)

#### Benefits:

- Remote commissioning of field devices directly from the control room or anywhere in the current loop
- Full support for FieldCare software
- For connection to intrinsically safe circuits (4...20 mA)
- Reactionless in accordance with IEC 61508 for connection to 4...20 mA SIL 2 loops
- Switchable communication resistor
- Adapter cable for the FXA195 USB/HART Modem supplied (4mm/2mm)

#### Specs at a glance

- **Input** USB signal as per USB specification.
- **Output** Connects HART field devices with the USB interface of a laptop

**Field of application:** The Commubox FXA195 modem connects HART logged, intrinsically safe measuring devices to the USB interface of a Windows system.

#### Features and specifications

Fieldbus components

Measuring principle

Communication Interface

## Fieldbus components

### Function

Connects intrinsically safe Smart transmitters with HART protocol to the USB port of a personal computer or laptop. This makes the remote operation of the transmitters possible with FieldCare.

---

### Input

USB signal as per USB specification.

---

### Output

Connects HART field devices with the USB interface of a laptop

---

### Certificates

ATEX

FM

CSA

---
